Dear Sir/Ms.:

The following questions have been received:

**Question:** The quantities for Items 403.208 and 403.213 differ from the list of estimated quantities on Sheet 2 of the plans and the Schedule of Items in the proposal book. Please clarify which is to be used for bidding?

**Response:** The Schedule of Items shall be used for bidding. The additional quantities in the Schedule of Items is for the Portland Water District portion of the work.

**Question:** IS the Department allowing the road to be closed for this project?

**Response:** The Department does not anticipate a need for a road closure for this project. If the Contractor would like to propose a change after award, the Department, in conjunction with the Town, would consider the proposal as presented.

Consider these changes and information prior to submitting your bid on **July 29, 2020**.

Sincerely,
