COMMISSIONER

June 30, 2020  
Subject: Intersection Improvements  
State WIN: 022879.00  
Location: **Hermon**  
**Amendment No. 1**

Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Plan Set:

**REMOVE SHEET NUMBER 7 OF 26, PLANS**, dated 6/5/2020, and **REPLACE** with the attached, revised **SHEET NUMBER 7 OF 26, PLANS**, dated 6/30/2020.

The following questions have been received:

**Question:** For item 0310/643.60 Flashing Warning Beacon shown on Page 7 and page 24 of the plans, it looks like there are two beacons facing each approach. However, the plans do not include any details on these beacons. Can you clarify the following: Are they are one section beacon or two section beacons? Are the beacons all red?

**Response:** All beacons should be 2 sections as shown in 643(10) of the Standard Details. Beacons facing Annis Road and Klatte Road are red, beacons facing Route 2 are yellow. See revised sheet #7.

**Question:** It does not specify if we are installing a wood or steel strain pole. It looks like one corner of the span is being attached to an existing utility pole, please confirm the new pole to be installed also wood?

**Response:** Sta. 4+28.43, 63.1' LT. we are installing a 35' class IV wood pole. The other corner of the span is being attached to an existing utility pole. See revised sheet #7.

Consider these changes and information prior to submitting your bid on **July 15, 2020**.

Sincerely

George M. A. Macdougall P.E.  
Contracts & Specifications Engineer
