Dear Sir/Ms.:

The following question has been received:

Question: For traffic phasing it would be helpful to know the lengths of the new pipe sections be supplied for the project. Could the new pipe section lengths be shared?

Response: The pipe sections for the project will come in 25-foot lengths. Additionally, the bands are 2-foot flat bands.

Consider these changes and information prior to submitting your bid on **December 20, 2023**.
