Amendment No. 2

Dear Sir/Ms.:

The following question has been received:

Question: Looking at the existing railing at the Ferry Terminal, it appears to be aluminum. Should we move forward with pricing a steel railing to match the aluminum, or should this be changed to be an aluminum railing?

Response: Either a steel or aluminum handrail will be allowed as long as it matches the railing on the stairs.

Consider these changes and information prior to submitting your bid on **March 7, 2018**.

Sincerely,

George M. A. Macdougall P.E.
