Amendment No. 5

Dear Sir/Ms.:

The following questions have been received:

Question: Page 7 of 8 of the utility provisions indicate that the "MDOT Contractor shall install lighting control cabinet at location shown on the plans. The cabinet at station 22+18Lt shall be a single circuit, with all luminaires on the upstream side of the bridge." Please confirm that the MDOT Contractor's only responsibility is to install the cabinet and that wiring will be performed by others.

Response: The second sentence of Note 1 on Sheet 108 of 111 directs the Contractor to "install lighting control cabinet and new conduit, wiring, ornamental light standards, LED luminaires and related hardware."

Consider these changes and information prior to submitting your bid on **October 12, 2022**.

Sincerely,

Kevin Hanlon for
