Bruce A. Van Note
COMMISSIONER

February 21, 2019
Subject: Light Capital Paving
State WINS: 023376.00 & 025296.00
Location: **Richmond Area**
Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Should this project contain ITEM 652.352 Light Capital Paving Signage?

Response: No, the Department will supply all necessary traffic control devices, as stated in SPECIAL PROVISION – SECTION 401 – (Light Capital Paving), Traffic Control.

Question: Would the Department consider extending the contract completion date 30 days?

Response: No, the Regions contracts are set up so when one is completed, the next one starts. To extend one contract 30 days will have it overlap the next contract, putting a burden on Department staffing.

Question: Can the Department provide a list of Sections and number of locations per Section for the Hourly Milling item? This will help determine the number of mobilizations for the item.

Response: Milling will take place on route 197 from route 201 to route 9, segment #2.

Consider these changes and information prior to submitting your bid on **February 27, 2019**.

Sincerely,

George M. A. Macdougall P.E.
Contracts & Specifications Engineer
