Paul R. LePage
GOVERNOR

David Bernhardt
COMMISSIONER

May 17, 2018
Subject: Pavement Milling, HMA
Overlay with Safety Improvements
State WINs: 023408.00 & 023410.00
Location: **Portland**
Amendment No. 1

Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Bid Book:

REMOVE pages 11 – 13, Proposal Schedule of Items, 3 pages, dated 4/19/2018, and
REPLACE with the attached, revised Proposal Schedule of Items, 3 pages, dated 5/16/2018.

On page 44, CONSTRUCTION NOTES for WIN 23410.00, under the Heading 202.202 – REMOVING PAVEMENT SURFACE, **CHANGE** the second sentence, that begins “The Contractor shall deliver...” to read “The Contractor shall deliver and stockpile the millings/grindings to 85 Bartlett’s Bridge Road, Lyman, located ROUTE 202, 0.14 miles south of the Lyman/Hollis T/L, unless otherwise directed by the Resident.” Make this change in pen and ink.

The following question has been received:

Question: Item 608.45 "Construct Sidewalk" has a quantity of 150 SY listed in the schedule of values. Going by the areas called out for this item in the construction notes I am unable to come up with that quantity. Please clarify the sidewalk width and areas to be constructed under this item.

Response: The sidewalk width will be 5 feet. See revised Schedule of Items.

Question: In the general notes for the two different WINs, it states that the millings shall become the property of the MaineDOT and hauled to two different locations (Fryeburg/Hollis). Would the Department change this to allow the Contractor to keep the millings, or change the location to one spot closer to the project?

Response: See above pen and ink changes.

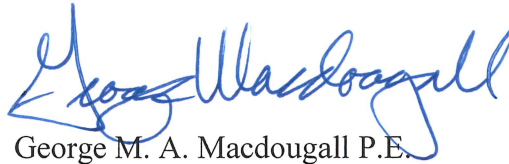

PRINTED ON RECYCLED PAPER

Question: Please check and verify that you have the correct milling/paving/tack quantities. I am unable to come up with the quantities you have in the schedule of values.

Response: See revised Schedule of Items.

Consider these changes and information prior to submitting your bid on **May 23, 2018**.

Sincerely,

George M. A. Macdougall P.E.
Contracts & Specifications Engineer
