Dear Sir/Ms.:

The following question has been received:

**Question:** Does the Department and/or Railroad have the right of way and/or landowner permission to access each of the four bridge locations? Each location will require some significant land disturbance to access the work.

**Response:** The "Val plans", on the MaineDOT web site show the available right of way and are posted to the project website. Additional rights were only obtained at Fish River North, No. 7788. These rights are shown within the plan set. Any additional rights needed shall be obtained by the Contractor.

Consider these changes and information prior to submitting your bid on **January 27, 2021**.

Sincerely,

A handwritten signature in cursive that reads "Nate Benoit".
