Dear Sir/Ms.:

The following question has been received:

**Question:** Does the Department anticipate any night work, specifically the island areas and intersection of Carter Memorial Drive in Winslow?

**Response:** The Department is not requiring night work. A Contractor may work nights per Standard Specifications Sections 107.3.2 and 652.6.2. The Contractor shall not schedule both day and night work within the same 24-hour period without prior approval by the Department and 48-hour notice.

Consider these changes and information prior to submitting your bid on **April 1, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "George M. A. Macdougall".
