Amendment No. 2

Dear Sir/Ms.:

The following question has been received:

Question: Due to prior backlog and commitments, Strescon is not able to deliver pipe to this project until mid-October at the earliest. Currently, Scituate can only manufacture up to 72-Inch RCP. Is there another supplier of RCP (large diameter) that MaineDOT is familiar with? Is there an alternate pipe material that would be acceptable on this project?

Response: American Concrete, of Veazie, Maine can produce the required pipe.

Consider these changes and information prior to submitting your bid on **July 25, 2018**.

Sincerely,

George M. A. Macdougall P.E.
