Subject: Pavement Milling, HMA Overlay
& Ultra-Thin Bonded Wearing Course with
Safety Improvements
State WIN: 024171.00
Location: **Hampden & Hermon**
Amendment No. 3

Dear Sir/Ms.:

The following information is clarification for Amendment No. 2:

The Department would like to offer some clarification to the added APJ item 519.60 Expansion Device – Asphaltic Plug Joint. This added item is to install APJs on the Southbound bridges in Hampden. There are no demolition to headers, only pavement removal, as the bridges currently have a temporary APJs currently installed. The Northbound bridges have permanent APJs and will be milled and paved through, then mastic will be applied to replace the top of the APJ material after paving is complete.

Consider these changes and information prior to submitting your bid on **June 29, 2022**.

Sincerely,

A handwritten signature in blue ink that reads "George M. A. Macdougall".

George M. A. Macdougall P.E.
