Dear Sir/Ms.:

The following question has been received:

Question: Unless it was overlooked in the scope of work, what are the specs for clearing on this job, I assume this is for the center median?

Response: In the contract book, page 29 is the special provision, Scope of Work. This project is for the Southbound Lane travel lane and passing lane (median) of Interstate 95 from Waterville to Sidney.

Consider these changes and information prior to submitting your bid on **May 9, 2018**.
