Amendment No. 1

Dear Sir/Ms.:

The following question has been received:

Question: Will the State put in an item for rock drilling in case ledge is encountered? It is everywhere. May not be anticipated but is very possible.

Response: Please refer to Standard Specification 606.08. We do not anticipate encountering ledge during the installation, but if we do, it will be paid for under force account (cost+). See Standard Specification 109.7.5 – F.

Consider these changes and information prior to submitting your bid on **May 5, 2021**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
