Dear Sir/Ms.:

The following questions have been received:

Question: What is the project limits down Wood Pond Rd and Storer Rd? The original project butt joints are further away from the roundabout then a "normal" side road apron. Are we going to these limits?

Response: The joint for Wood Pond Road will be 75' from the Roundabout.
The joint for Storer Road will be 115' from the Roundabout.
The limits of the end of the project are 80' past the end of the concrete island.

Consider these changes and information prior to submitting your bid on **March 25, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "George M. A. Macdougall".
