Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: I'm attempting to view the property online - having trouble confirming which one it is. Below is a screenshot of the property that comes up when searching the address, but there is a '23' on the structure. Could you validate that this is the structure that's being demolished?

Response:

No, the picture you provided is not the correct lot and building. Please refer to the Plans and Photograph section of the Bid Book (Pages 49 & 50) for a visual display of the building and property location.

Consider these changes and information prior to submitting your bid on **November 12, 2025**.

Sincerely,
