**Amendment No. 3**

Dear Sir/Ms.:

The following questions have been received:

**Question:** Is it possible to get an interior site visit?

**Response:** Yes interior visits can be made upon request on Tuesdays from 10am-1 pm

**Question:** Can the concrete foundation be crushed on site and used for backfill?

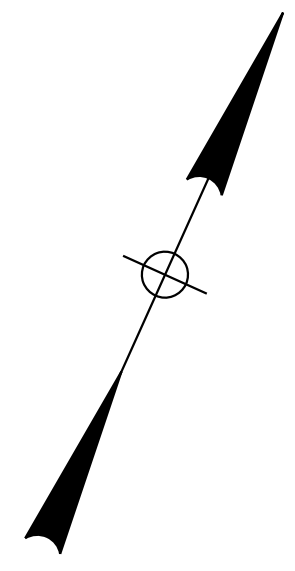

**Response:** The existing concrete foundation may be used to as backfill material but must be properly processed to meet 703.18 Comon Borrow specifications. The processed product must be free of steel reinforcement and hazardous material and can be placed within the hatched area identified in the attached plan

Consider these changes and information prior to submitting your bid on **November 12, 2025**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
