**Amendment No. 2**

Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Bid Book:

**REMOVE** page 28, "2021 Fair Minimum Wage Rates - Building 2 Aroostook County" and **REPLACE** with the attached "2022 Fair Minimum Wage Rates - Building 2 Aroostook County".

The following question has been received:

**Question:** Would you please ask the engineer if he would consider using high lift track system. If you look on A 3.1 it shows low headroom track and that is what is called out in the spec. But on that page of the drawings you have roughly 22'™ of headroom. You could go with high lift track, jackshaft operator with chain hoist.

**Response:** A high lift track system is acceptable. There is between 10 feet and 12 feet of headroom above the door to the roof due to the gable end.

Consider this change and information prior to submitting your bid on **February 16, 2022**

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
