Subject: Norridgewock Avenue Sidewalk  
Location: Skowhegan  
State WIN: 025277.00  
**Amendment No. 1**

Dear Sir/Ms.:

The following questions have been received:

Question: Can you verify that all water works materials are provided by the water company?

Response: Yes, it is the intent of Maine Water to provide all the materials.

Question: Can you specify on the plan where the proposed water main is going? At a minimum station/offset?

Response: There is a link to a plan sheet that shows the water line location with the other bid documents. It is the link titled SHOP DRAWING.

Question Will pavement and subbase gravel for trench restoration of the water main be paid for per the provided DOT bid items or is the paving and surface gravel incidental?

Response: The estimated quantities include the gravel and pavement items necessary to reconstruct the roadway in the area of the water main work indicated on the Maine Water plan. These items will be paid for at the contract unit prices.

Consider these changes and information prior to submitting your bid on **October 23, 2024**.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.

George M. A. Macdougall P.E.
