Dear Sir/Ms.:

The following question has been received:

**Question:** We see where the ditching and culvert changes have been marked out in the road but have not seen any clearing. Will the Department have the clearing and 10 trees marked out before the bid date or can we get rough locations?

**Response:** Yes, layout will be started Tuesday and completed a few days later.

**Question:** 201.11 Clearing - Can you provide the clearing subcontractors with a map of the clear limits? Is it small brush or is it trees 12" and smaller?

**Response:** No Map. Large majority is 18" or less.

**Question:** 201.23 Removing single tree top only - Do you have these trees marked out? Are there any issues with power lines etc.?

**Response:** The trees will be marked out by Thursday, April 30.

Consider these changes and information prior to submitting your bid on **May 6, 2020**.

Sincerely,

A handwritten signature in black ink that reads "George M. A. Macdougall".
