Dear Sir/Ms.:

The following questions have been received:

Question: Just wondering if the state would allow traffic on 115 from the intersection to be detoured down Brown street during working hours. Opening the RD back up every night.

Response: The department can not authorize a detour on a local road. The contractor may elect to get permission from the town.

Consider these changes and information prior to submitting your bid on **May 10, 2023**.

Sincerely,
