Amendment No. 2

Dear Sir/Ms.:

The following questions have been received:

Question: The Special Detour cannot be opened until 4/20/26. Paving plants may not open until late May. This severely impacts the ability to achieve substantial completion by 11/20/26. Considering the extremely low traffic count, would the department permit traffic on gravel until the paving plants open using the hourly rental items for any maintenance?

Response: The Department will allow traffic to travel on a gravel surface on the Special Detour until June 13, 2026 at which time the special detour shall be paved. The road shall be closed for a maximum duration of 20 minutes. Any maintenance work on the gravel surface shall be paid for using the appropriate section 631 items.

Consider these changes and information prior to submitting your bid on **October 1, 2025**.

Sincerely,

Kevin Hanlon for
