Location: **Statewide**
Amendment No. 1

Dear Sir/Ms.:

Bids will be accepted on either the Schedule of Items contained in the original Bid Book or the one contained in this amendment. However, the original contract amount will be calculated based on the quantities in the attached, revised Schedule of Items.

Please make the following changes to the Bid Documents:

In the Bid Book:

CHANGE on page 9, NOTICE TO CONTRACTORS, the bid opening date in the first paragraph from "April 22, 2020" to read "**April 29, 2020**". Make this change in pen and ink.

REMOVE pages 12-13, Proposal Schedule of Items, pages 2 & 3 of 3 dated 3/25/2020, and **REPLACE** with the attached, revised Proposal Schedule of Items, pages 2 & 3 of 3, dated 4/17/2020.

REMOVE pages 29-30, "SPECIAL PROVISIONS, Excavators Region 5", 2 pages, dated March 23, 2020, and **REPLACE** with the attached revised "SPECIAL PROVISIONS, Excavators Region 5", 2 pages, dated April 17, 2020.

Consider this change and information prior to submitting your bid on **April 29, 2020**.

Sincerely,

A handwritten signature in black ink that reads "George M. A. Macdougall".

George M. A. Macdougall P.E.
Contracts & Specifications Engineer

SPECIAL PROVISIONS
Excavators Region 5

INSTRUCTIONS FOR COMPLETING TECHNICAL SPECIFICATION SHEET

Please complete the checklist for technical specifications set forth below. Each Bidder must indicate whether it can meet the technical specifications by inserting an “X” next to each specification. The “X” will demonstrate that the Bidder’s offering meets the technical specification. If a Bidder cannot meet a technical specification, then the Bidder must give an explanation for each exception and for equipment that is not available or that will be dealer installed. All explanations must be provided in detail on separate pages along with the justification as to why the alternative equipment or deliverables will be as good as the equipment or deliverables described in the detailed specifications for desired items. A copy of the vendor specification proposal must be provided. Following these instructions is essential for proper bid evaluation. If a Bidder fails to provide requested information or if information on a quote is found to be false or misleading, the quote will be rejected as unresponsive.

T The following abbreviations must be used by interested Bidders:

- X Meeting Specification**
- N/A Not Available**
- DI Dealer Installed**
- AE Approved equal process**

SPECIAL PROVISIONS
TRACK EXCAVATOR 25,000 –36,000

- This work consists of providing all equipment, preventative maintenance on a scheduled basis, when needed.
- Service calls must not be included in the bid and will be handled separately.

The equipment specifications and terms are as follows:

Tracked Excavators

- Operating weight shall be not less than 25,000 pounds and not more than 36,000 pounds
- Digging depth minimum of 16’
- Horsepower shall be not less than 75 hp.
- Excavators shall be no older than (5) five years nor have more than 3000 hours.
- Each excavator shall come with a minimum 30” inch digging bucket with teeth.
- Each excavator in Region 5 shall come with wrist action and a minimum 60” ditching cleanout bucket.
- The tailswing shall not extend more than three feet beyond the outside edge of the track in any direction for excavators furnished Region 5.
- Excavator transport width shall not exceed 8’6”.
- Excavators shall have air conditioning, and strobe light.

- Buckets shall have an OSHA approved lift hook or lift loop on all buckets.
- Excavators shall be equipped with rubber pads inserts or equivalent approved by MaineDOT.
- Equipment shall have a system to accept a padlock in order to securely lock a battery disconnect switch in the off position and comply with MaineDOT lock-out/tag-out safety policy.
- Excavators shall be equipped with pilot controls and pattern select.
- The Contractor shall provide to the Department, a completed Lessor's certificate a minimum of 3 weeks prior to delivery.
- Equipment shall have temporary registrations valid until the Department can get the equipment registered.
- Each machine shall have a valid State of Maine inspection sticker for the duration of the rental.

The Department will provide the following:

Insurance.

Daily fuel, oil and grease.

Options for a tracked excavator priced separately than equipment listed above:

- Hydraulic thumb
- Hammer
- Front Blade

Bidders shall complete and submit these technical specification sheets and equipment description/specifications with the bid package.
