Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Special Provision Section 107 has a start on or after date of June 19, 2023. Would the department consider allowing the contractor to start earlier on this contract for more flexibility to coordinate with other work in the Region?

Response: The department has reviewed your request and would be able to accommodate an earlier start as early as May 30, 2023. Restrictions to an earlier start are as follows: Segment #3 route 227 starting at a point 0.74 miles east of Turner Road and extending to segment #1 Castle Hill Road would have to be paved last to allow for a pipe replacement.

Consider these changes and information prior to submitting your bid on **March 22, 2023**.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
