ACTING COMMISSIONER

December 16, 2025  
Subject: Tannery Bridge  
Replacement  
WIN: 026107.00  
Location: **Mariaville**  
**Amendment No. 2**

Dear Sir/Ms.:

Make the following changes to the bid documents

In the bid book:

**Remove** pages sixteen through twenty-two titled Proposal Schedule of items dated 10/30/2025 and **Replace** with the attached Proposal Schedule of items dated 12/15/2025

In the Plans:

**Remove** on Sheet Number 2 of 35 pay item "203.2318 Disposal of Special Waste 570 T".  
Make this change in pen and ink.

The following questions have been received:

**Question:** **There** is no spec section for Item 203.2318 - Disposal of Special Waste. Is there any more information you can provide on this item.

**Response:** See above change to the Plans and Schedule of Items. Please refer to Special Provision Section 203 (Dredge Materials).

**Question:** Sheet 28 shows the Structural Excavation & Granular Borrow pay limits behind the abutments as a vertical wall. This pay limit should allow for a 1.5:1 backslope for safety, please confirm.

**Response:** The pay limits shall remain as shown on the plans. Structural Excavation and Granular Borrow beyond those limits are considered "means and methods". Any work beyond the pay limits shall be the contractor's responsibility.

Consider these changes and information prior to submitting your bid on **December 17, 2025**.

Sincerely,

George M. A. Macdougall P.E.  
Contracts & Specifications Engineer
