Amendment No. 3

Dear Sir/Ms.:

The following questions have been received:

Question: We have had issues these past couple of seasons getting a quality bituminous curb mix from the different vendors. Can we utilize slipform concrete curb as an alternate to the bituminous curb for this project?

Response: Item 609.31 Curb Type 3 should be bid as listed on the Schedule of Items. Post award the Department would consider slipform concrete curb as an alternative at a reduced or equal to unit cost.

Consider these changes and information prior to submitting your bid on **January 8, 2025**.

Sincerely,
