Amendment No. 2

Dear Sir/Ms.:

The following questions have been received:

Question: Why are the square yards different for item 202.2023 Removing Pavement Surface-Medium Cut Drum and item 462.301 Polymer Modified Ultrathin Bonded Wearing Course?

Response: The difference between the item quantities are shoulders and bridge decks that will be milled but will be paved with 12.5 mm HMA and not Ultra-Thin Bonded Wearing Course.

Consider these changes and information prior to submitting your bid on **March 8, 2023**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
