Dear Sir/Ms.:

The following question has been received:

Question: Project documents say we can start May 3rd, 2021 and must be completed by June 11th, 2021. Can you confirm that the in-water work window of July 15th to October 1st does not apply to this project?

Response: The instream work window does not apply. These will be done non-jurisdictionally.

Consider these changes and information prior to submitting your bid on **November 18, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
