Dear Sir/Ms.:

The following questions have been received:

**Question:** In reference to the stated requirements of the specifications for bidders to fill out the DBE Proposed Utilization form, we are only a material supplier and do not have a DBE/WBE. Can we just submit the bid form as we normally do for just a material supply only? This form does not pertain to our company.

**Response:** The DBE Proposed Utilization Form must be filled out and submitted along with other bid documents. If there are no subcontractors, and no DBE work, the sections for the totals would be \$0 and the DBE percentage would be 0%.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
