Dear Sir/Ms.:

The following questions have been received:

Question: Due to the complexity of this project, and the seasonal nature of MDOT projects, many of which are approaching their completion timelines within the next month, would the department consider extending the bid date for this project by a week?

Response: Change on page 14 "NOTICE TO CONTRACTORS", the bid opening date in the first paragraph from "October 21, 2026" to "October 28, 2026". Make this change in pen and ink.

Consider these changes and information prior to submitting your bid on **October 28, 2026**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
