**Amendment No. 1**

Dear Sir/Ms.:

The following questions have been received:

**Question:** Is the cost of shipping the box culvert to the project site paid by the Department or the contractor? Reference section 534 page 2 paragraph 5 sentence 1. If shipping is paid by the Department will the contractor be responsible to pay/repair shipping damage?

**Response:**

1. The Department
2. If there is shipping damage that can be repaired by the Contractor on site the Department would execute a contract mod to have this work done.

Consider these changes and information prior to submitting your bid on **May 10, 2023**.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
