Dear Sir/Ms.:

The following questions have been received:

**Question:** Is any of this work required to be done at night?

**Response:** Per the contract's special provisions, night work is not required

**Question:** Please clarify what is included for work in Item 204.42 REHABILITATE EXISTING SHOULDER. The Special Provision doesn't have anything listed for it.

**Response:** Please refer to Standard Specification 204 for material and construction requirements. The Special Provision 204 merely changes the item form Plan Quantity to Square Yard.

Consider these changes and information prior to submitting your bid on **February 4, 2026**

Sincerely,

George M. A. Macdougall P.E.
