Amendment No. 3

Dear Sir/Ms.:

Please make the following change to the Bid Book:

CHANGE on page 15 "NOTICE TO CONTRACTORS", the bid opening date in the first paragraph from "April 16, 2025" to read "**April 23, 2025**". Make this change in pen and ink.

The following questions have been received:

Question: Please confirm that there is no milling or new pavement associated with the asphalt stamping. If not, can you supply the approximate age of the existing pavement that will need to be heated so we can ensure a quality final product?

Response: There is no milling or new pavement required under this project. The existing pavement was placed in 2021 under WIN 21783.00.

Question: Due to the limited availability of the pavement stamping subcontractors, may we have a one week extension of this bid opening?

Response: Yes, Bids shall be due on April 23, 2025.

Consider these changes and information prior to submitting your bid on **April 23, 2025**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
