Dear Sir/Ms.:

The following question has been received:

Question: Page 69 of contract documents state KWD providing only 21' of 10" class 52. Looks like there's going to be more needed than that. Will the contractor be responsible for the additional needed or KWD?

Response: Any pipe materials determined to be needed in the field will be provided by KWD.

Consider these changes and information prior to submitting your bid on **August 24, 2022**

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
