Dale F. Doughty
COMMISSIONER

February 24, 2026
Subject: Pavement Milling, Hot Mix
Asphalt Overlay & Ultra-Thin
Bonded Wearing Course
WIN: 027978.00 & 027980.00
Location: **Dresden, Pittston,
Randolph & Wiscasset
Amendment No. 2**

Dear Sir/Ms.:

The following questions have been received:

Question: Will the Department be providing, prior to bid, a balanced mix design specification for this project?

Response: In pen and ink, remove Note 23 from Special Provisions 403. Note 23, which refers to Special Provision 401 - Balanced Mix Design Test Section – 9.5 mm NMAAS Mixture, was included in the 403 Special Provision to call out an opportunity for the Contractor to install a BMD test section on this contract. The note was added in error as the Special Provision is still under development, however the Department would support installation of a BMD test section if requested after bid award.

Consider these changes and information prior to submitting your bid on **March 4, 2026.**

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.

George M. A. Macdougall P.E.
