AUGUSTA, MAINE 04333-0016

Janet T. Mills  
GOVERNOR

Bruce A. Van Note  
COMMISSIONER

March 14, 2025  
Subject: Shim & Overlay Parking  
Lot  
**Win: 028068.00**  
Location: **Portland**  
**Amendment No. 1**

Dear Sir/Ms.:

The following questions have been received:

**Question:** How many catch basins/manholes are there that will need to have joints ground around them?

**Response:** There are approximately 6 catch basins in the parking area.

**Question:** Has the Department identified any areas that shall receive a spot shim? If so where are they located and what are the approximate sizes?

**Response:** MaineDOT does not anticipate much spot shimming in the parking area. It's the Bidder's responsibility to inspect the site and bid accordingly. Bidders may visit the site at their own convenience.

**Question:** There are several wide cracks in the parking lot. Is the Department going fill/seal the cracks prior to this project taking place?

**Response:** No.

**Question:** It appears that the curb is going to lose some reveal and possibly even be buried in some locations. Is the Department ok with this?

**Response:** The Department is aware that some curb reveal may be lost with the overlay.

Consider these changes and information prior to submitting your bid on **April 2, 2025.**

Sincerely,

George M. A. Macdougall P.E.  
Contracts & Specifications Engineer
