**Amendment No. 1**

Dear Sir/Ms.:

Make the following changes to the bid book:

Remove page Seventeen titled Proposal Schedule of Items dated 4/13/2026 and Replace with the attached Proposal Schedule of Items dated 5/7/2026

The following questions have been received:

**Question:** Will the State allow a fully structural liner if hydraulics can be met? IE. Would a HDPE liner, GRP liner, or CMP liner with a grout in the annular space be acceptable?

**Response:** The Department did not acquire permits to use annular space grout at this location.

**Question:** Please confirm the quantity and unit measure on the 603.2892

**Response:** On page 55 of the contract book, Special Provisions 603, Method of Measurement, remove paid by the Each and replace with paid by the Linear Foot. Actual length is 61 LF, see updated Schedule of Items

Consider these changes and information prior to submitting your bid on **May 20, 2026**.

Sincerely,

George M. A. Macdougall P.E.
