Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Based on the number of shifts required to complete the major items, butt joints, paving, structure adjusts, guardrail and APE, would the department consider increasing the number of allowable WD's by 9, as well as the corresponding CD's or MOT?

Response: The Department will not consider adding any additional working or calendar days to the Contract.

Consider these changes and information prior to submitting your bid on March 19, 2025.

Sincerely,

A handwritten signature in blue ink, appearing to read "George M. A. Macdougall".
