Dale F. Doughty
ACTING COMMISSIONER

November 13, 2025
Subject: School Zone Signage
WIN: 028442.00
Location: **Statewide**
Amendment No. 3

Dear Sir/Ms.:

The following questions have been received:

Question: Are you sure you want steel poles and not aluminum poles?

Response: Yes, MaineDOT requires Steel Poles

Question: The bid makes no reference to breakaway bases for the poles. Do you need breakaway bases?

Response: Breakaway bases are not required for this procurement.

Question: The bid makes no mention of concrete form kits or helixes to install the poles. Are either of those required?

Response: No

Question: The bid refers to "pole risers." What is a "pole riser"

Response: Pole risers are conduit systems used to run wires on the outside of the poles between the cabinet and any unit needing power.

Question: What color do you want the YOUR SPEED faceplates for the radar speed signs...yellow or fluorescent yellow/green.

Response: The faceplates shall be retroreflective and have a fluorescent yellow/green background Speed feedback signs are governed by sections 2C.13 and 7B.01 in the Manual on Uniform Traffic Control Devices, 11th Edition.

Consider these changes and information prior to submitting your bid on **November 19, 2025**.

Sincerely,

George M. A. Macdougall P.E.
Contracts & Specifications Engineer
