Remove pages nineteen through twenty six titled CONTRACT AGREEMENT OFFER & AWARD totaling eight pages and **Replace** with the attached CONTRACT AGREEMENT OFFER & AWARD totaling eight pages

The following questions have been received:

Question: How is MaineDOT going to inspect the compaction of aggregates placed on existing ground while the ground is frozen?

Response: Gravel is expected to be delivered frost free and placed in 8" layers. A minimum of 5 passes with an earth roller in vibrate mode or until rollers are supported by the layer. Up and back in the same footprint will be considered one pass. MaineDOT will have the personnel on site to observe that the proper lift sizes and equipment and passes are being performed.

Question: Can I bid on this project and then get Prequalified?

Response: No. Bidders must already hold an annual prequal with MaineDOT to bid.

Question: I see I only have 24 hrs to turn in my Bonds for this project. Do I have to deliver them on Saturday?

Answer: No. Bonds can be delivered to the Augusta HQ building by COB Tuesday the 2nd of January.

Consider these changes and information prior to submitting your bid on **December 29, 2023**.

Sincerely,
