Dear Sir/Ms.:

The following questions have been received:

Question: Is the state sure they want to mill/pave to and between all railroad crossings listed? As submittal time and turnaround time with railroad will decrease production greatly.

Response: The department has reviewed and coordinated these efforts with the Railroad and determined that we **do** want to pave and mill up to and in between the rails

Consider these changes and information prior to submitting your bid on **March 18, 2026.**

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
