**Amendment No. 1**

Dear Sir/Ms.:

The following questions have been received:

**Question:** On milling we would like to use a 6'6" milling machine instead of a 7'.

**Response:** The Department will allow the use of a 6'6" milling head at a prorated rate for this scope of work provided it meets all other specifications of the Special Provision.

Consider these changes and information prior to submitting your bid on **March 18, 2026**.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
