Janet T. Mills
GOVERNOR

Dale F. Doughty
COMMISSIONER

April 10, 2026
Subject: Instream Culvert
Replacement
WIN:030773.00
Location: Sidney
Amendment No. 1

Dear Sir/Ms.:

Make the following changes to the bid document:

REMOVE page 30, Title Sheet, 1 page, and **REPLACE** with the attached revised signed Title Sheet, 1 page.

The following questions have been received:

Question: Will there be minimum length required for new pavement installation?

Response: There is no minimum section that needs to be paved. The expectation is that the trench will be paved back in where it was open cut, and if any pavement is disturbed beyond that, it will be at the discretion of the resident as to how it is repaired, or how much further needs to be paved in order to cover the damage. The pavement shall be square cut at the edge of the open cut excavation.

Consider these changes and information prior to submitting your bid on April 15, 2026.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
