

November 14, 2025

**Addendum No. 1**

**Project:** Varney Bridge (#0257) WIN 026240.00

**Location:** William Knight Road over Pleasant River

The following questions have been received about the Varney Bridge Project:

- 1. The existing and proposed pole locations don't allow enough clearance for the pile driving operations.*

**The aerial utility lines will be addressed to achieve a minimum clearance of 10'-0" from the lines to the outermost pile. This will be completed prior to construction at no cost to the selected Contractor.**

Consider this information prior to submitting your bid on **November 26, 2025**.

Sincerely,

Peter Cogley
