

PUBLIC WORKS DEPARTMENT

David A. Jones, P.E., Director

February 15, 2018

Bartlett Street Improvements
Federal Project No. STP-1858(000)
MeDOT WIN No. 018580.00

Bid No. 2018-002
Bid Date: 2/20/18

ADDENDUM NO 3

Please make the following changes to the Specifications:

- 1. Notice to Contractors:** All questions must be submitted to the City by **12:00pm February 16, 2018**. This is necessary to allow sufficient time to post an addendum before the holiday weekend.
- 2. Proposal Form:** Replace the bid form that was attached to Addendum #2 with the revised bid form (Revised #2) attached to this addendum. The following changes were made:
 - a. Bid Item 202.127 – Removal of Existing Bituminous Pavement (SW and Driveways): Pay unit was changed to per Square Yard (SY)
 - b. Bid Item 202.128 – Removal of Existing Concrete Sidewalk: Pay unit was changed to per Square Yard (SY)
 - c. Bid Item 304.0001 – Regrade Sidewalk: Bid quantity was adjusted to 6,500SY.
 - d. Bid Item 203.20 – Common Excavation: This bid item was added for the excavation required to install the new road base at the intersection of East Ave. and Bartlett St. where the curb radius is changing and other excavation that may arise as needed.
 - e. Bid Item 403.213 – HMA, 12.5mm Base: Bid quantity was adjusted to 185 Ton to account for the base paving in the drainage trenches.

Questions:

1. What type of concrete should be used to install the curb?

Answer: The concrete shall be Concrete Class Fill as specified in Section 502 of the MEDOT Standard Specifications.

2. Does the curbing need to be set on bricks or can gravel mounds be used for temporary support?

Answer: Gravel mounds are an acceptable alternative to provide temporary support for the curb as long as the curb is placed according to the specifications and there is no settling of the curb.

3. Is the contractor getting paid to lower the storm drain structures prior to milling?

Answer: Lowering storm drain structures prior to milling shall incidental to bid items 604.162, 604.167 and 604.18.

4. Will the Detectable Warning Plates need to be set in concrete or paved around?

Answer: The Detectable Warning Plates shall be set in concrete according to the MEDOT Standard Detail.

5. How will removal of pavement markings be paid for?

Answer: Pavement marking/stripping removal shall be considered incidental to Bid Item 627.75 - White or Yellow Pavement and Curb Marking

6. How will base paving in the drainage trenches be paid for?

Answer: Bid Item 403.213 shall be used for pavement with the drainage trench.

CITY OF LEWISTON

PROPOSAL FOR

BARTLETT STREET IMPROVEMENTS
2018-002

To: Purchasing Agent
City Hall, Lewiston, Maine

Dear Sir/Madam:

The undersigned hereby declares that he/she has carefully examined the location of the proposed work, the proposed Contract Form and the Contract Documents therein referred to and that he/she proposes and agrees, if this Proposal is accepted, that he/she will contract with the City of Lewiston, by its City Administrator, to provide all machinery, tools, labor, equipment and other means of construction and to do all the work and to furnish all the materials, except those specified in the Specifications to be furnished by the City, necessary to complete the work in the manner and time therein prescribed, in accordance with the conditions and requirements set forth in the Contract Documents and the requirements of the Engineer and/or Director of Public Works as provided for therein; and that he/she will accept in full payment therefore the following sums to wit:

 _____ (\$ _____)
 (in words) (in figures)

The undersigned acknowledges the receipt of Addenda numbered _____.

The undersigned further agrees that, after notification by the Purchasing Agent of the acceptance of his/her Proposal and the readiness of the Contract for signature, he/she will execute the Contract and furnish the required Bonds within ten (10) days, Saturdays, Sundays and Holidays, excluded, and that he/she will commence the work within ten (10) days after the execution of the Contract and deliverance of the Bonds, unless otherwise

specified in the Supplemental Specifications or directed by the Director of Public Works or City Engineer in writing; and that he/she will prosecute the work to its completion within the time limit specified in the Supplemental Specifications. The undersigned further agrees that there shall be deducted from monies due the Contractor, not as a penalty, but as inspection costs, the sum of five hundred (\$500.00) dollars for each working day beyond the time limit specified in the Supplemental Specifications which is required by the Contractor to complete the whole work to the satisfaction of the Engineer and the Director of Public Works.

The basis of award will be to the lowest responsive bidder for the total of Base Bid #1 and Base Bid #2. Base Bid #2 is non-participating and is being funded by the City of Lewiston. The City of Lewiston reserves the right not to award Base Bid #2 if adequate funding is not available.

The undersigned further agrees that in the employment of labor, preference will be given, all other things being equal, to the citizens of Lewiston and of the State of Maine, in that order. The undersigned hereby further declares that the only persons or parties interested in this Proposal, as principals, are named below; that the Proposal is made without any connection with any other person or party making any Proposal for the same work; and that no person acting for or employed by the City of Lewiston is directly or indirectly interested in this Proposal or in any contract which may be made under it or in profits expected to arise there from, except as provided by the City Charter. The full names and addresses of all persons and parties interested in this Proposal, as principals, are as follows: (Give first and last names in full; and in the case of a Corporation, give names and addresses of President, Treasurer and Manager; and in case of a Partnership, give names and addresses of members):

Accompanying this Proposal is a bid security deposit in the amount of \$(_____), which is to become the property of the City of Lewiston, by forfeiture, if the undersigned fails, after notification by the Purchasing Agent of the acceptance of his/her Proposal, to execute a Contract with the City and furnish the required Bonds within the time agreed to herein; or, in case the undersigned withdraws his/her Proposal within thirty (30) days after the opening of the Proposals. Otherwise, the deposit will be returned to the undersigned in accordance with the provisions in the Notice to Contractors.
