Dear Sir/Ms.:

The following question has been received:

Question: Do all 12 RVSD setups need to be configured for AC power? Or, will there be any solar (DC) sites within the 12 RVSD?

Response: All 12 RVSD setups will be solar (DC) sites.

Question: Will MaineDOT require a terminal server provided with each RVSD setup? Or will they supply their own?

Response: We will not need a terminal server for the RVSD.

Consider these changes and information prior to submitting your bid on **September 1, 2021**.

Sincerely,
