Subject: Supply & Delivery of Generator  
State WIN: PH022192.00  
Location: **Frenchboro**  
**Amendment No. 1**

Dear Sir/Ms.:

The following questions have been received:

**Question:** Is this a skid mounted or portable / wheel mounted (highway towable)?

**Response:** This shall be a concrete pad mounted unit.

**Question:** Is this an open unit, or totally enclosed with a sound attenuated enclosure?

**Response:** This unit shall be enclosed with a sound attenuated enclosure.

**Question:** Are there any special electrical connections needed?

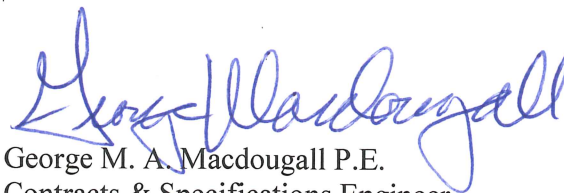

**Response:** 50kw generator, single phase 120/240 volt (208 amp).

**Question:** Do you need any special options, such as: trickle battery charger, cold weather start engine block heater.

**Response:** Yes, a cold weather start engine block heater, and trickle battery charger will be required.

Consider these changes and information prior to submitting your bid on **September 23, 2020**.

Sincerely,

George M. A. Macdougall P.E.  
Contracts & Specifications Engineer
