Dear Sir/Ms:

The following questions have been received:

Question: Where is Region 3?

Response: Is located in the Western part of the State, see attached map.

Question: Is the distance from the center pin of the crane to the center of the lift?

Response: The distance for a 10 ton load should be no greater than 50 feet from end of crane.

Question: What is the height of the lift?

Response: The height of the lift should be 9 feet below ground level.

Consider this information prior to submitting your bid on August 29, 2012.

Sincerely,
