David Bernhardt  
COMMISSIONER

Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book, APPENDIX A, SPECIFICATIONS OF WORK TO BE PERFORMED, Contract Time (page 25), **CHANGE** the first sentence to read: **"Jaw crusher and/or cone crusher, or impact crusher, screen, minimum 25,000# loader with 3 CY bucket or larger, minimum 50,000# excavator with 2 CY bucket or larger, minimum capacity of 1000 cy per day."** Make this change in pen and ink.

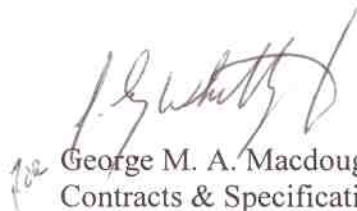

The following question has been received:

**Question:** Can an Impact Crusher be used on these jobs if it is large enough to do 1000 cubic yards per day?

**Response:** Yes, as long as it is 3/4" minus and 1000 cy a day, an Impact crusher should be acceptable.

Consider this change and information prior to submitting your bid on January 23, 2013.

Sincerely,

  
George M. A. Macdougall P.E.
