Subject: Excavators & Dozers  
On Call Equipment Rental, without  
Operator  
State WIN: PH20180110EDR  
Location: **Regions 1 - 5**  
**Amendment No. 1**

Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Bid Book:

**ADD** the attached MaineDOT Regions map, 1 page.

The following questions have been received:

**Question:** Is there a map available clarifying the participating Regions? The bid packet notes Regions, 1-5, however there is not an explanation of where those regions are located.

**Response:** See attached Maine DOT Regions map.

**Question:** On the "appendix A" it states in bold that "mobilization is not included in rates bid. See special provisions, On call excavators & dozers without operators". Upon checking that it states "This work shall consist of furnishing equipment, and when required, delivering and retrieving equipment." How is "when required" determined? Delivery to the county is substantially different than Scarborough or Bangor, where our stores are. Can you clarify because that will affect my rates by a lot, potentially.

**Response:** Read Measurement and Payment, found on page 4 of 4 (which is page 13 of the Bid Book) in Special Provision, On Call Excavators & Dozers (Without an Operator).

Consider these changes and information prior to submitting your bid on **January 31, 2018**.

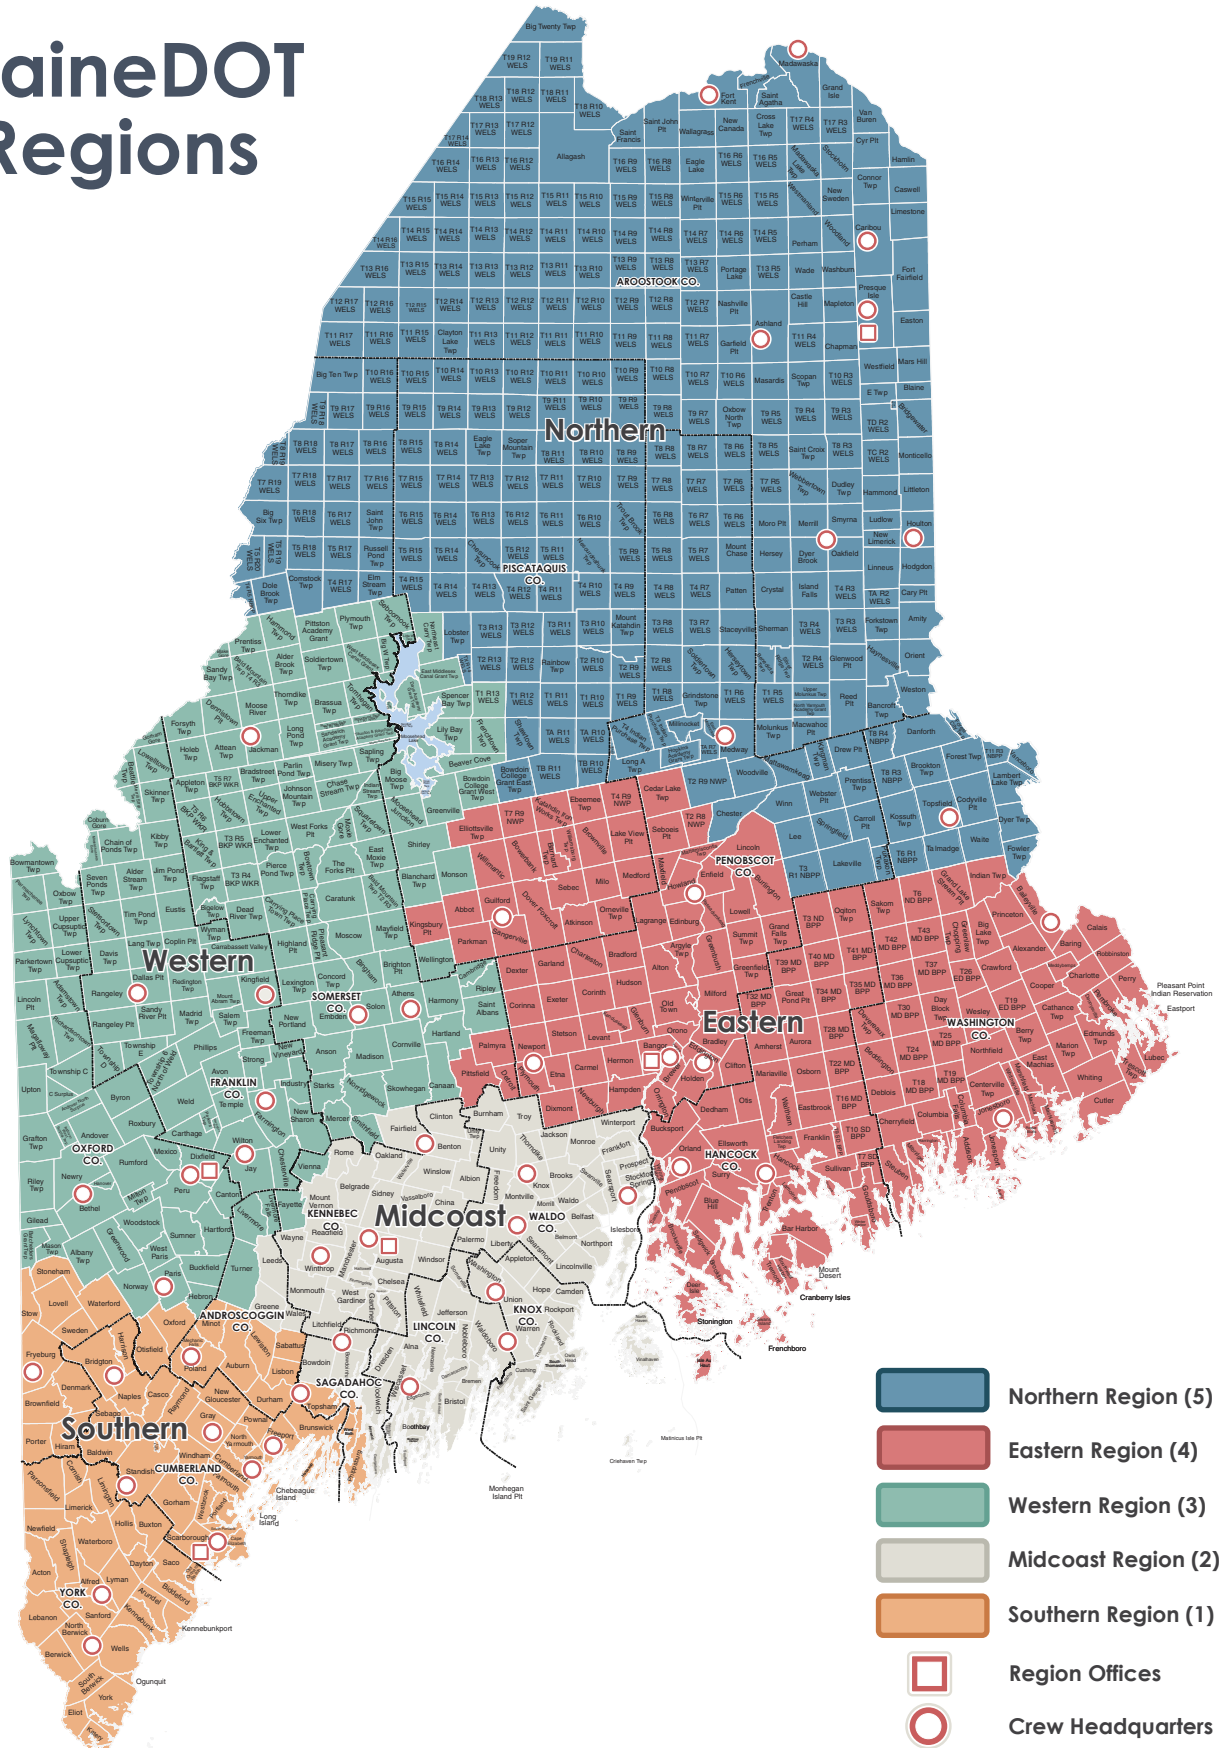

Sincerely,

George M. A. Macdougall P.E.
