Dear Sir/Ms.:

The following question has been received:

**Question:** In the bid specs a wage scale is listed to be posted. Then each county is broken down with a different scale, which is significantly higher, in our case Aroostook County. Which scale do I need to follow? The first one, or the one for our county?

**Response:** The applicable wage rates shall be stated in the Assignment Letter. Federal wage rates apply, if stated in the Assignment Letter and are broken down by the county that the work is to be performed in. Maine State wage rates apply if stated in the Assignment Letter, and are based on a statewide average. If the Assignment Letter does not state the applicable wage rate, the higher wage rates shall be applied.

Consider these changes and information prior to submitting your bid on **February 28, 2018**.

Sincerely,

A handwritten signature in blue ink that reads "George M. A. Macdougall".
